ELSIE WILHITE ELECTED STUDENT BODY PRESIDENT

A meeting of the Student Body was called Thursday, Oct. 3 to elect new officers.

The result of the election is as follows; Elsie Wilhite, president; Mary Hannafor, vice-president; M. Sybil Caster, secretary-treasurer.

The committee in charge of the assembly consisted of Dorothy Wilhite, Donna Brown and Fred Compton.

MISS AITKEN'S ROOM LEADS CONTEST

In the subscription contest among the grades, Miss Aitken's room is now ahead, with 13 subscriptions. Mr. Haan's room has 11 and Miss Darneille's 10. Outside subscriptions count just as much as those from the members themselves, if they are secured by the room.

The winner of the contest will be awarded the prize, Thursday, Oct. 24.

SCHOOL BOY HURT

Clark Carlton, a first grade scholar of the Eagle Point School was hurt last week by a swing. As he jumped out of his swing, the next swing hit him on the right side of the head.

GIRLS! TRYOUT FOR GLEE CLUB

"Do we want a glee club?"

"Yes, we all do!"

Then girls will you please spend just a few minutes of your spare time between now and next Wednesday in the room of Miss Miller for a tryout?

Those who do not tryout for the Glee Club probably cannot be in the operetta that we will start practicing on in just a short time. Remember the "Point System" and just think of the "FUN" you will have.

Any of the seventh and eighth grade girls may try out if they desire.

The boys tryouts will come later.

DEMONSTRATION BY THE SCIENCE CLASS

A demonstration by Thomas Coy and Joe Miller will be given before the P.T.A. Friday, Oct. 11. The demonstration will be on the preparation of oxygen, and the burning of sulphur and iron in oxygen and the reaction.

Other numbers on the program will be a piano selection, "Blue Butterflies," by Elsie Loveland. Mr. Davies will give an outline of "Parliamentary Procedure" and Mrs. Barnes a talk on "Home and School Relationship."

EAGLE'S QUILL

PATRONIZING ADVERTISERS

The advertisements that you read in this paper are put here by our worthy merchants and business men of Eagle Point. They pay ten cents for every square inch used for their advertisement. "No, they do not pay on the installment plan." This gives us the needed amount to publish the "Eagle's Quill" and gives you the humorous jokes, latest news items, and town gossip. If these people, mentioned, hand the coin to us, they must receive it. Why not read these advertisements, which will tell you the up to date sales and the perfect money saving investments? Maybe you can have a discussion of the gas tank. You know where to have it filled, if not read the contents of our news paper. Find out about this expensive lumber with which to build that house you have talked about. Use your telephone. You will get immediate answers, and the best of service. Call these places.

Do your daily duty as always, by patronizing our advertisers. Read to the old proverbs, "Take Hay While The Sun Shines," or "A Stifle In Time Saves Nine".

Vivian Hannaford spent Sunday and Monday nights at the home of Margaret Brophy.

INSTITUTE

The Teachers Institute was held at the Medford Senior High School, October seventh and eighth. All of the Eagle Point teachers attended.

The main speaker on the program was Miss Helen Hoffman, chief of the Rural Division of the State of Oregon. Other speakers were: F. S. Tuttle, of the State of Oregon; L. L. L. of the Oregon State College; and William Ballard, president of the Boys Industrial School, Woodburn, Oregon.

PERSONALS

Reverend Davidson, the Community Church minister, has moved into the George Holmes residence. His son, Bill Davidson, is an addition to our Freshman class.

The Civic Community Club held the first of the season, in Brown's Hall Thursday, Oct. 10. No special hostess was in charge at this meeting.

A social party was given at the home of Clarence Groat, his parents home, Mr. and Mrs. J. Groat on Saturday evening, Oct. 8, at 8 o'clock. There were about 25 guests present.

During the evening, games were played and everyone enjoyed watching Clarence open his social life as a bachelor. Supper was served at 11:15.

Miss Miller will spend this week-end in Seattle.

VOLLEY BALL TOURNAMENT

OUR QUESTION!

A meeting of the Student Body was called Wednesday morning. It was suggested that the school have a volley ball and that a team be set, made up of mixed teams of boys and girls, be started. The members of the teams would be selected by drawing from the names of those interested. This suggestion will be left up to the students, after they have had time to think it over.

INTERMEDIATE GRADES CONSTRUCT POST OFFICE

Miss Aitken's room which consists of the fourth, fifth, and sixth grades is constructing a post office. It is made out of orange crates which were furnished by the local merchants.

The pupil who has the best letter will get to be post-master and every letter must be correct in form before it can be delivered to the post office.

Do We Want The Point System?

The Point System is a specialized way of determining the amount of initiative spirit displayed by the student. Often times one student does the work, while another pupil catches the idea or result of this work and uses it for his own and receives all of the credit.

The credits for these points will be based on the students' work. They will receive points for athletics of all kinds, the parts taken by the members as the extra work of captain and manager will be rewarded by so many points. Typing and shorthand awards and good speed will be awarded by points. Student Body Activities and officers are eligible for points. Staff and active members of the Quill will also have their efforts rewarded by this manner, also the Glee Club Class, play and operetta participants will receive notices by this system.

Do we want this system? We must remember that we will not only profit by it as individuals but as a group.

When the question is placed before the Student Body and Faculty members and it should be decided to adopt this method we must respond by cooperating and do our best.

Think it over!
